To Whom It May Concern:

We have invited **Zhenli Sheng** to participate in a conference **Convex Relaxation Methods for Geometric Problems in Scientific Computing** with dates of visit **February 11 – 15, 2013** at the Institute for Pure and Applied Mathematics situated on the UCLA campus.

UCLA would like to **reimburse** them for travel and/or lodging expenses according to their offer letter. There will be **NO** salary or a stipend.

I'd appreciate your assistance in helping them obtain a B1 visa. If you have any questions please feel free to contact me. Thank you.

Sincerely,
